CPSP subscribes to medical education journal Academic Medicine

Academic Medicine is the official, peer-reviewed journal of the Association of American Medical Colleges. The journal serves as an international forum for the exchange of ideas, information, and strategies to address the major challenges facing the academic medicine community as it strives to carry out its missions in the public interest.

The journal’s areas of focus include: education and training issues; health and science policy; institutional policy, management, and values; research practice; and clinical practice in academic settings.

To access Academic Medicine go to http://ovidsp.ovid.com/autologin it is available from any computer in CPSP premises.

Contact library@cpsp.edu.pk for any questions and feedback.
