VACANCIES IN QATAR

Some specialist posts are vacant in Hamad Medical Corporation Al Khor Hospital, Qatar in the field of Emergency Medicine, Psychiatry and Nephrology.

For the Emergency Medicine they will accept Physicians with FCPS Medicine and FCPS Surgery with atleast 02 years post FCPS experience and preferably 04 years.

It is a good opportunity because while working there they may get chance to do international courses as well as take exam like MCEM & European Board in Emergency Medicine. Also they will get good interaction with the Emergency Medicine faculty which will help them in improving their career in the field of Emergency Medicine.
